No. 1089

Introduced by Senator Pavley

February 17, 2016

An act to amend Section 1320 of the Fish and Game Code, relating to fish and wildlife.

LEGISLATIVE COUNSEL'S DIGEST

SB 1089, as amended, Pavley. Wildlife Conservation Board.

The Wildlife Conservation Law of 1947 establishes the Wildlife Conservation Board in the Department of Fish and Wildlife. Under existing law, the board consists of the President of the Fish and Game Commission, the Director of Fish and Wildlife, and the Director of Finance. Existing law requires the board to investigate, study, and determine the areas in the state that are most suitable for certain wildlife-related purposes.

This bill would expand the composition of the board to include 2 public members to serve terms of 4 years each and would require one public member to be appointed by the Speaker of the Assembly and one public member to be appointed by the Senate Committee on Rules. *This bill would require the public members appointed to the board to have demonstrated interest and expertise in land acquisition for conservation purposes.*

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.
